

Keeping it going

Having identified some first steps to take to begin to make your **Golden Ticket** real, the following hints and tips may be useful to keep you going. Some of the **iCan Phrases** (Think It Resources) and **Common Obstacles** in this section may also be helpful to take a look at.

Check your direction

Keep your Golden Ticket in a prominent place and regularly review and update it. Check whether the actions you are taking are still moving you in the right direction.

One step at a time

Be prepared to put in some interim steps to get you to where you want to go – trying to take leaps may be too much – try baby steps instead.

Stop along the way

Enjoy the scenery, the new landscapes, views and experiences – take time to see the bigger picture and celebrate the journey.

Travel with others

Sometimes the journey will feel a little less scary if you share it with someone who believes in you, shares your values or can help along the way.

Tell others what you are doing

Share your Golden Ticket with others – the more people that know about it, the more people can help.

Think about what you have learned so far

Learn from the up's and down's of your journey. Create alternatives, find solutions and stay flexible.
